Yes – I will be attending the presentation. Looking forward to it – also sent the announcement to Matt and Don.

Will send you something in a couple of hours. It is just a first draft and just a portion of the presentation but any corrections/info you can provide me will help. Will also be running it by the others tox people before it is posted.

I am madly working on a very draft powerpoint which I'd like you to look at before you go. If I send it tomorrow morning do you have time to look at it and get me comments before you leave on holiday?
